TETRIX LIVING

Version: living room combination pure white lacquer, width: approx. 3.6 m

MODERN AND REDUCED TO THE ESSENTIAL – THIS IS TETRIM.

Beautifully framed units made from anodised aluminium, atmospheric LED-lighting and high-quality lacquer, ceramic and wood surfaces define the quality of Tetrim. A large choice of formats, units and materials allows almost infinite design possibilities. All units can be combined with one another. The combination of square and L-shaped units offers a light and almost floating impact. Clean lines and colours create a modern ambience. The floating transitions between slim wall-mounted cabinets and wide units create elegant accents. The interplay of handle-less lacquered surfaces, angles and open compartments is a reflection of the Tetrim architecture.

Version: pure white lacquer, width: approx. 2.85 m

Version: living room combination silk-grey lacquer, core walnut accent, width: approx. 4.4 m

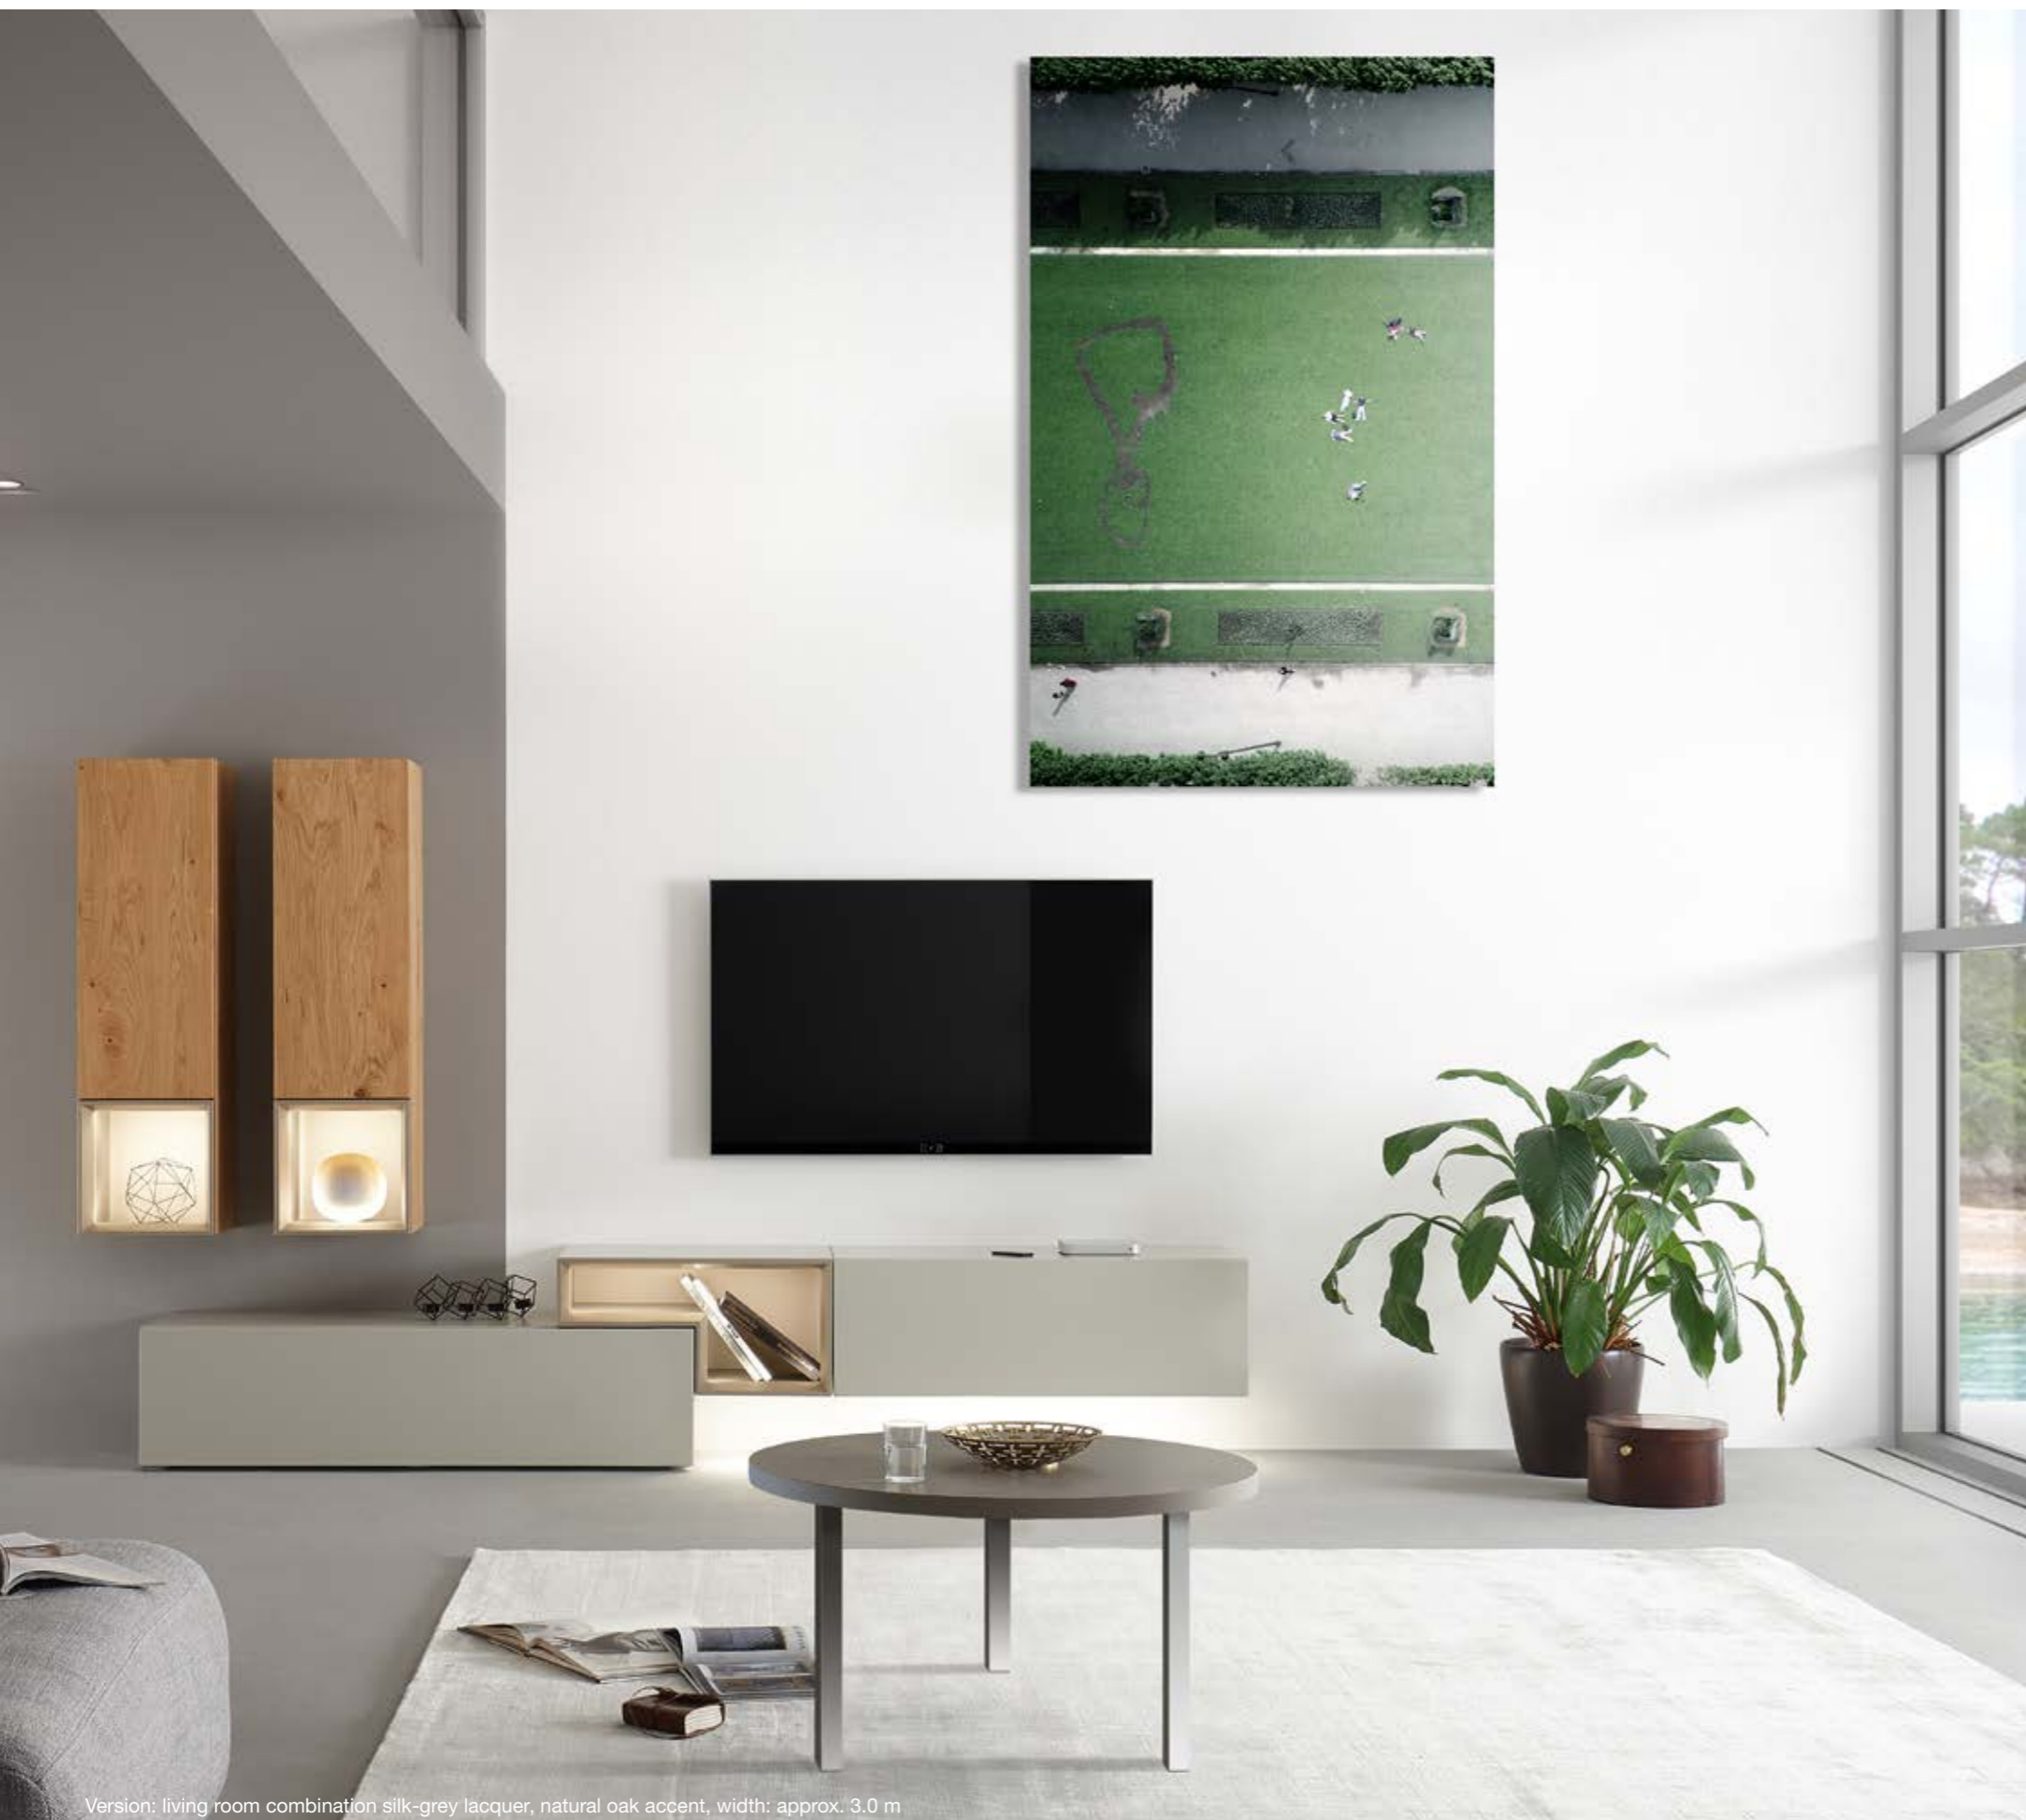

- 01 Cover surfaces made from different ceramic versions make Tetrim exceptionally versatile. In addition, cover surfaces are available in the materials wood, lacquer and glass.
- 02 Storage space or small home office? This living room combination offers both. Whether mini home office, dressing table or storage space: the wall-mounted unit is not only an eye-catcher but also highly functional.
